Due to construction of the Parkland College Student Services Center (on the east side of the building), the bus stop have been moved to the south side, next to the D-wing. If you take the bus, do not enter the D-wing! The quickest way to the planetarium is to walk around the outside of the D-wing (see white arrows above), through the “C” parking lot, towards the Theatre. The Planetarium is a brick building with a cone-shaped roof, attached to the Theatre by way of an open air archway.
